About St. Louis Ovarian Cancer Awareness

St. Louis Ovarian Cancer Awareness celebrates more than Twenty Years of Teal and while we honor our progress over the past 24 years, we acknowledge that there is still more work to be done.

From our founding in 2002 the mission of SLOCA has remained the same; impacting ovarian cancer survivorship by promoting awareness of early warning signs and standards of care, funding ovarian cancer research, and supporting survivors.

We have adapted to continue to fulfill our mission but your support is still as crucial as ever. We are honored to present you with the 2026 Event Sponsorship packet and to invite you to share in the mission of SLOCA.

Your support will help us to continue to make a difference in our community.
